This presentation is to commemorate the 25th Anniversary of the Hong Kong Islamic youth Association. It is also dedicated to all the brothers and sisters who have contributed their time, money and effort in the establishment of the organization 25 years ago and development of the Association into its present time. Without their sacrifices, the Association would not have come so far in providing educational, welfare and recreational services for the better development of the Muslim and non-Muslim communities in Hong Kong.

May Allah (SWT) bless them with good health, highest Islamic spirit and happiness in this world and in the hereafter. Ameen
