Message from the Chairperson

*In the name of Allah, the Most Gracious, the Most Merciful
Peace and Blessing be upon our Beloved Prophet Muhammad, His Companions and
His Family*

To all Members,

Assalamu Alaikum wa Rahmatullahi wa Barakatuh

There is a saying by our Prophet (S.A.W.) that a youth practicing Islam will have 70 times more rewards when compared to those practicing in their old age. We should therefore treasure every moment in life to seek knowledge, and follow the Quran and teachings of the Prophet (S.A.W.).

Over the past year, our Association has continued to organize activities to promote brotherhood among Muslim youths and the community of Hong Kong. For example, we have jointly organized a camp that was attended by 60 brothers and sisters, including a group from Shenzhen. I would like to take this opportunity to thank our Council members and volunteers that have worked hard to prepare these great functions; as well as those that have actively participated and supported us. The details of these organized activities can be found in this annual report.

This year is the 41st Anniversary since the establishment of the Hong Kong Islamic Youth Association (HKIYA). Over the year, we have seen many new faces joining the HKIYA family. We have also worked closely with and gained support from various organizations in Hong Kong, especially the Islamic Union of Hong Kong, Muslim Women Association of Hong Kong, Chinese Muslims Cultural and Fraternal Association, Islamic Cultural Association (Hong Kong) and Islamic Kasim Tuet Memorial College. On behalf of the Association, I would like to express our greatest appreciation to these organizations for their tremendous support.

I would also like to thank the support of the youths of Hong Kong. In recent years, we have invited brothers and sisters to participate in our activities such as Bowling Day and Indoor War Game for fun. We believe that through these activities, the youths can learn from each other in various aspects and strengthen the brotherhood.

Moreover, HKIYA has established a 'Project Development Fund' with the purpose of setting-aside some financial resources for significant projects in the future. Further in the future, the Association also hopes to purchase a permanent office premises. Please donate generously and continue to support HKIYA in all ways. InshaAllah, with the guidance of Allah (S.W.T.), we will continue to follow our prime objective of developing our younger generation into responsible and contributing adults of the society.

Wassalam,

Sharifa TUET Kin Ping
Chairperson of 2014

Our responsibility is to express an opinion on these financial statements based on our audit, and report solely to you, as a body, in accordance with section 141 of the Hong Kong Companies Ordinance, and for no other purpose. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

香港伊斯蘭青年協會

NOTES TO THE FINANCIAL STATEMENTS

1 GENERAL INFORMATION

The Association, being a company limited by guarantee, was domiciled and incorporated in Hong Kong under the Companies Ordinance on 26 May 1999. Under the provisions of its memorandum and articles of association, every member shall, in the event of the Association being wound up, contribute to the assets of the Association to the extent of HK\$1. As at 31 August 2014, the Association had 252 registered members.

The Association is principally engaged in the promotion of Islamic principles and the encouragement of its members to study and practise Islam. The address of its registered office is 8/F., O.R. Sadick Islamic Centre, No. 40 Oi Kwan Road, Wanchai, Hong Kong.

These financial statements are presented in the functional currency, viz. Hong Kong dollars.

2 BASIS OF PREPARATION AND ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants (HKICPA) and the requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention, as modified by the revaluation of financial assets which are carried at fair value.

(a) Revenue recognition

Provided that it is probable that the economic benefits associated with the revenue transaction will flow to the Association and the revenue and costs, if any, in respect of the transaction can be measured reliably, revenue is recognised as follows:

- (i) Subscriptions and donations are recognised as revenue when the subscriptions or donations are received.
- (ii) Interest income is recognised on a time proportion basis taking into account the principal outstanding and the interest rate applicable.

(b) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent expenditure is charged to the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed in the income statement during the financial period in which they are incurred.

Depreciation of property, plant and equipment is calculated using the straight line method to allocate cost to their residual values over their estimated useful lives. The annual rate of depreciation for furniture, fixtures and equipment is 20%.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

2 BASIS OF PREPARATION AND ACCOUNTING POLICIES - continued

(c) Investments in available-for-sale financial assets

Available-for-sale financial assets are included in non-current assets unless management intends to dispose of the investment within 12 months of the balance sheet date. They are carried at fair value with changes in fair value recognised in the income statement. When securities classified as available-for-sale are sold or impaired, the accumulated fair value adjustments are included in the income statement as gain or losses from investment securities.

(d) Designated funds

All income accruing to and all expenses attributable to designated funds are accounted for directly in each particular fund.

The General Council have the discretion to use or transfer any funds in the furtherance of the objects of the Association except in instances where funds and donations when received for a specific purpose shall not be utilized for any other purpose without the prior approval of the donors.

(e) Foreign currency translation

Foreign currency transactions are translated into the functional currency using the exchange rate prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

(f) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.
